

Plan of action for the Student Organization of Agder 2022/2023

Passed by the Student Parliament 25.05.22

Valid until a new plan of action is passed.

- STA shall work towards an increase of professional affiliation between students and the working life and business, including the development of a comprehensive career week
- STA shall work for that UiA shall make use of new and varied forms of assessment
- STA shall work for that UiA takes more responsibility for the training of their own boards and committees
- STA shall work for a more visibility of and access to UiA`s scientific resources for the students
- STA shall work for that UiA makes the offer on exchange more visible and make the information available, for example by use of student ambassadors
- STA shall work for that UiA`s library shall be open 24/7
- STA shall work for that the kiosks on both campuses shall be open in evenings
- STA shall work for raising awareness about exclusion, for example by arranging regular “meets and greets” at the *Skravlesoner*
- STA shall work for an increase in the student engagement at UiA
- STA shall work for that a permanent position is employed at UiA who shall work with the system for the class representatives. This in cooperation with STA
- STA shall work for that UiA improves and develops today`s system for the class representatives, especially the training
- STA shall work for that UiA develops an action plan on bullying and harassment

ORGANIZATION

Communication

- STA shall work for a complete renovation and organization of STA`s home page
- STA shall survey the use for different social media and how these can be used in STA
- STA shall work towards an increase of visibility on both campuses, both physical and digital

Continuous prioritizes

- STA, in cooperation with UiA, shall work to make student politics and the students` rights more visible
- STA shall be active in media and front cases concerning student politics
- STA shall participate on and be visible during arrangements that are relevant for student politics
- STA shall work with the student election 2023
